## Step 2: Your Plan

What does your pet need to be covered for? Here you can customize your plan and build a plan that best fits you and your best friend. You can easily select from **Balanced, Recommended or High Deductible** options.

- You can quote up to 3 pets at a time by selecting “+ Add another pet”. For 4 or more pets, please call 1-800-GET-MET8.
- The Optional Preventive Care add-on means you can be reimbursed for a variety of wellness matters.
- You can customize your benefit, deductible and reimbursement levels for the perfect plan.

**Tip #1:** If you want additional coverage for more routine care/wellness items, consider adding Optional Preventive Care to your plan.

**Tip #2:** Please be sure to check that any applicable discounts are selected in the Discounts Applied section before proceeding to the next step.

## Step 3: Contact Information

Simply complete the required contact information and billing address information.

## Step 4: Current Pet Insurance Provider

Here you will be asked if your pet has insurance with another pet insurance provider. If yes, please check the box and you will be asked to enter the current pet insurance provider’s name. Once you have entered the current provider’s name, select “Confirm Insurance Provider Information”. To review and confirm your plan, hit “Next Step”.

**Note:** If you currently have a pet insurance policy with another carrier, to avoid pre-existing conditions, you will want to continue that current coverage through the start date of your MetLife Pet Insurance policy to avoid a gap in coverage.

## Step 5: Review and Purchase

This page allows you to review and purchase to activate your plan for your pet. It shows you your monthly rate and asks you to select if you would like to pay annually or monthly.

If everything looks good, check the box to agree to terms and conditions and click “Purchase Plan”.

**Please review and purchase to activate your plan.**
